We at SONNENTOR
strongly believe that
nature holds the best
recipes for a beautiful
and long life. That's what we work for and
what we thrive on.

We also believe that **organic**
farming is the only sound
and passable way in a time of monoculture and
overproduction. We work in highest consideration
of the **rhythms** of nature.

Respect &
consideration for nature
is our highest ambition. Only harmonious

cooperation
with nature makes a real
balance possible.
